Tee ball is a part of the Harrison County Little League, Inc. but we elect to not travel. (This is subject to change if player numbers are low.) **Six year olds that have already competed in two years of tee ball may want to move up a level. Please see instructions under Promotions.**

Softball

Softball - Girls aged 7-14 will be playing in the Harrison County USA League. This is a traveling league that will compete with area towns. The divisions include 8U (coach pitch), 10U, 12U, and 14U. Check the Age Determination Chart below for your player's league.

There is a mandatory tournament at the end of the season for 10U, 12U, and 14U. Each team, and player, must commit to play in the final tournament of the season. Tournament locations will be determined at a later date. All girls playing softball must have a birth certificate on file with USA. If you played with GHRA in the Harrison County League last year, your birth certificate is on file.

If you are new to the softball division, a copy of your birth certificate must be emailed to greenhillsrecreation@gmail.com prior to the registration deadline. Please make the subject of the email your child's name and birth certificate. For example: **Susan Smith's Birth Certificate.**

A player's age for the 2024 season is based on her age as of August 31, 2023. This is a USA Softball updated rule change for the previous season. Please check the chart below to find your child's correct age.

Promotions

GHRA must give notice to the Harrison County league board and a letter must be sent to the national level of Little League/USA before April 1st of the current year for any child that would like to move up into an older division. Understand that a player can only move up one year, which does not necessarily move him/her into a new division. For example: If a player is currently 7 and would like to move up, he could only move up one year, making him 8 which would still place him in the Machine Pitch league.

If you would like for your child to move up, please send an email detailing that you would like for your child to move up one age level. The email must include the child's name, age according to the age chart (baseball), or year of birth (softball). The email should be addressed to greenhillsrecreation@gmail.com with the subject line including your child's name and Promotion. For example: Sam Smith's Promotion.
